

Letter of Reference

February 9, 2026

To whom it may concern,

This letter is to confirm that Mr. Asif Iqbal Palash consulted for Yumiko USA, LLC as a Senior IT Specialist between November 2024 and January 2026, supporting the design, customization, and implementation of an ERP system tailored to our internal operational needs.

His work specifically supported our manufacturing facility in Spain, integrating ERP workflows across our global inter-group ordering processes, e-commerce operations, and B2B sales channels.

His work involved complex workflow mapping, customization, and system integration, ensuring that the ERP configuration aligned with our highly specific production and business processes.

Mr. Asif demonstrated strong technical competence, reliability, and a solution-oriented approach throughout his involvement.

Should you require any further information, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Costin Radu", with a stylized flourish at the end.
